## EDUCATION

SEPTEMBER 2018 - PRESENT
St. Anne's-Belfield School

## LEADERSHIP POSITIONS

FEBRUARY 2021 - PRESENT
Co-founder and Leader of True Diversity Club | St. Anne's-Belfield School
• A student club that tackles uncomfortable conversations about race, sexuality, and religion.

FEBRUARY - MARCH 2021
Front End Engineer for Summer Spark | St. Anne's-Belfield School
• Built registration portal for computer science summer camp website.

JUNE -JULY 2020
Front End Engineer for Summer Spark (Virtual) | St. Anne's-Belfield School
• Designed platform for online computer science programs.
• Built interface participants used to join, complete challenges, and chat with other campers.

NOVEMBER 2019 - FEBRUARY 2020
Student Organizer, Front End Engineer, and Mentor for Spark Hackathon | St. Anne's-Belfield School
• Built website for weekend-long, free computer science event open to all area high school students.
• Added website features as needed, including "ping a mentor," which allowed participants to get help in real time by choosing their group from a list and submitting a question, which sent a Slack message to all the mentors.

JULY 2019
Mentor for Spark Exploration | St. Anne's-Belfield School
• Volunteer mentor for computer science camp for middle schoolers.

JUNE 2019
Student Panelist and Mentor for Computer Science Institute | St. Anne's-Belfield School
• Volunteer for a computer science program for local educators.

JANUARY 2019
Presenter and Participant for Spark Hackathon | St. Anne's-Belfield School
• Led a Sentiment Analysis workshop and co-led a Regular Expressions (RegEx) workshop.
• Worked with a group of students from area schools to solve the following problem: "How can we work at the intersection of technology, design, and human experience to create a classroom environment better suited to helping students learn?" My group, Education Rejuvenation, designed an interactive middle-school mathematics course.

JULY AND AUGUST 2018
Mentor for Spark Exploration | St. Anne's-Belfield School
• Volunteer mentor for computer science camp for middle schoolers.

## HONORS AND AWARDS

JANUARY 2020
The English-Speaking Union National Shakespeare Competition
• Performed monologue from *As You Like It*, Jaques, Act 2, Scene VII.
• Placed second at the school level.

MARCH 2019
Mirabella Prose and Poetry Contest
• Winning entry "Rusting" published in Crossroads VII Anthology
